Dear Sir/Mam,

I am excited to apply for the Job at Delloite. I am currently pursuing Master's of Computer Application(MCA) from NIT Raipur and am eager to apply my skills and knowledge in a professional setting.

In my studies, I gained experience in Java, Python(Basic), MySql, SpringBoot, HTML, Tailwind CSS etc. My recent project on Smart Contact Manager and Electronics Store backend api helped me develop strong foundation of Java, SpringBoot, MySql, Hibernate, JPA-ORM. I am confident that my background and enthusiasm make me a strong fit for this role.

I have attached my resume for your review. I look forward to the opportunity to discuss how I can contribute to Delloite's Team.

Thank you for considering my application.

Best regards,

Aryan Kumar
